Important Terms

Debt Burden Ratio	A ratio of total loan installments to income
AECB Score	Credit bureau is an agency that collects and maintains individual credit information from banks & financial organizations and provides it to lenders, and consumers in the form of a credit report. This helps lenders assess credit worthiness, the ability to pay back a loan, and can affect the interest rate and other terms of a loan.
Annualised Percentage Rate APR*	<p>Annualised Percentage Rate (APR) is a reference rate, which includes applicable interest, fees and charges of the product, expressed as an annualized rate.</p> <p>If we receive payment of the statement balance in full on or before the payment due date, you do not have to pay any interest charge on the statement balance. If you do not pay the statement balance, in full on or before the payment due date, we may charge, without prior notice, a finance charge even if you have paid the minimum payment due in full.</p> <p>Interest charges will be applicable on the Total Amount Due as noted in the previous month's Statement of Account as well as on all new transactions (from the respective transaction date) till such time as the total outstanding amounts are paid in full including all interest charges and fees levied on the Card Account.</p>
Minimum Monthly Repayment	Minimum payment percentage is selected by the user in the Liv. app and ranges from 5% to 100% of the closing balance outstanding or AED 100, whichever is higher. If the closing balance is less than AED 100, it must be paid in full
